

**REMARKS**

Original claims 1-20 have been canceled.

New claims 21-48 have been added.

New claims 21-48 correspond to original claims 1-20 (now canceled) but are drafted in "method of use" style, rather than the "Swiss-type" style of the original claims. These new claims are drawn to substantially the same subject matter and are of substantially the same scope of the original claims, with exception that the new claims lack the multiple-dependency of the original claims. Additional support for the language in new claims 21 and 48 can be found, for example, at page 7, lines 3-29 and page 12, lines 29-31.

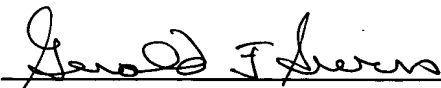

New claims 21-44 correspond to original claims 1-19 (now canceled), with additional support for new claims 38-41 being found, for example, at page 6, lines 13-22 and page 11, line 29 - page 12, line 15.

New claims 45-47 correspond to original claim 20 (now canceled).

No new matter has been added by these amendments and Applicants believe that entry of the amendments is proper.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
